Information about your Wealthsimple Visa Infinite* credit card

1 **Minimum payment** is the minimum amount you must pay this month by the payment due date.

2 **New balance** is the outstanding balance on your card at the end of the statement period and the amount you must pay in full if you want to avoid interest.

How we charge interest & your grace period: If interest is charged on a purchase, it is charged retroactively from the transaction date. Interest is charged on cash advances from the date they are taken, and cash-like transactions from the date they are posted on your credit account. We stop charging interest on the day we receive a payment, which covers the amount of the purchases, cash advances, and/or cash-like transactions, as the case may be, as described in the APPLYING PAYMENTS section of your [WEALTHSIMPLE VISA INFINITE CREDIT CARD ACCOUNT AGREEMENT](#). You have a minimum 21 day interest-free grace period for new purchases. We will not charge you interest on any new purchases and interest-bearing fees if the new balance is paid in full by the payment due date.

3 **Missed payments:** Your annual interest rates will increase to **25.99%** on purchases and **27.99%** on cash advances, and cash-like transactions if we do not receive your minimum payment by the payment due date for **two (2)** consecutive months. The increased annual interest rates will apply in the third statement period following the second missed payment that caused the rates to increase. The increased annual interest rates will continue to apply until we receive your minimum payments by the payment due date.

4 **Foreign transaction (FX)** fee is a surcharge typically charged on foreign currency transactions. Wealthsimple does not charge FX fees, but transactions are still subject to currency conversion from credit card networks or fees from merchants or financial institutions involved in the transaction.

Your obligations and rights for any billing error found on this statement: you are responsible for reviewing this statement, which describes each transaction, and discloses each amount credited or charged, including interest, and the dates when those amounts were posted to your credit account. You have to contact us about any errors or irregularities (including possible unauthorized or fraudulent transactions) within **30** days from the statement date so that we can investigate the errors immediately. If you don't contact us about errors and/or irregularities within 30 days from the statement date then we will consider all transactions and payments to be correctly posted to the credit account and our records to be correct (except any amount that we may have credited to the credit account in error). You may not make a claim about any error later than 30 days from the statement date for any amounts posted to the credit account.

If there is a purchase transaction posted to the credit account that appears on this statement that you don't agree with, you must first attempt to settle the dispute directly with the merchant. More details about disputes can be found in the DISPUTES AND ERRORS section of your [WEALTHSIMPLE VISA INFINITE CREDIT CARD ACCOUNT AGREEMENT](#).
