Date is when the transaction happened.

Posted date is when the transaction is processed and finalized. Use this for accounting purposes.

Wealthsimple chequing accounts are offered by Wealthsimple Investments Inc. ("WSII"), a member of the Canadian Investment Regulatory Organization ("CIRO"), and Wealthsimple Payments Inc. ("WSP"), a FINTRAC registered money services business. WSP has appointed WSII as its agent to perform certain payment activities offered through the chequing account(s). The funds added to chequing account(s) (the "Funds") are ultimately held securely in trust in the name of the primary account holder with a single or multiple members of the Canada Deposit Insurance Corporation ("CDIC"). CDIC protects eligible deposits held at CDIC member institutions in case of a member institution's failure. WSP and WSII are not CDIC member institutions. Under the trust framework, CDIC insures eligible cash balances up to \$100,000 per beneficiary, per member institution, provided certain disclosure rules are met. Coverage is free and automatic. Learn more about how CDIC protection works. Funds must be spread across at least 10 CDIC member institutions in order for up to \$1,000,000 in deposits to benefit from applicable CDIC coverage. The advertised interest rate for the chequing account is derived from interest earned by Wealthsimple on the funds. The rates are annualized rates, calculated daily, and paid monthly. Subject to change. For more information see [here](#). The Funds are settled with any CDIC member(s) one business day following the date that Funds are reflected in the Account.
